

**\$1000 CASH
PRIZE
TO THE PTA THAT HAS THE
MOST PARTICIPATION!**

This is a wonderful way to bring your school family together to support CASA, Court Appointed Special Advocates, who work with the foster children of Glynn County.

To qualify for the prize, participants must pre-register for the 5k (\$20) or one of the 1 Mile races (\$12) which take place on **12/14/13** on Jekyll Island. **Participants must pre-register by 12/10 to be counted as part of your school's team** and each will receive a Jingle All the Way T-shirt the morning of the race! Simply indicate your school's name on the registration form -- parents, grandparents, neighbors, and friends are all welcome to register as a part of your school's team. (But each registrant can indicate only one school!)

If your PTA has the most participants, CASA will present your PTA President with a \$1000 check the week after the race!

We hope you'll kick off your holidays with a healthy dose of family and community fun! All entrants will receive jingle bells for their shoes...and a chance to say hello to Santa!

Registration forms are available online at www.casajinglealltheway5k.com or with your PTA president. You can also register at active.com. You must indicate your school name at the time of pre-registration!
